Common FAQ's

Q1) When and where am I required to submit my tasks?

To receive your **swags and Internship Completion Certificate**, you are required to fill out the **Final Submission Form**, which will be shared in the WhatsApp group **by 26th September**.

Please note that **any forms filled out before the Final Submission Form is released will not be considered your official submission**. Similarly, sending your completed tasks directly to the team or mentor via email is only for validation/support and **will not be considered your final submission**.

You **must fill out the Final Submission Form** once it is shared in the group.

Q2) What are the final submission requirements?

If you have completed only the **Beginner Level:**

The following are mandatory:

- Internship Report
- PPT
- 2-3 minute self-recorded video explaining the tasks you completed
- GitHub repository containing your code/projects(Not applicable to the Cyber Security domain.)

For Cyber Security: Submit the required **PDF report/documentation** instead of a GitHub repository, in the final submission form**.**

If you have completed the Intermediate or Advanced Level:

- Internship Report - Optional
- PPT - Optional
- 2–3 minute self-recorded video - Not required
- GitHub repository containing your completed code/projects - Required
    - Not applicable to Cyber Security.
- Cyber Security interns must submit the required PDF report/documentation instead.

If you choose to prepare an Internship Report or PPT, please **create one combined file** covering all the levels you have completed.

For example, if you completed Beginner, Intermediate and Advanced levels, **do not prepare three separate reports or PPTs**.

Q3) What should I do if I have already completed my tasks?

If you have completed your current tasks, you can:

- Get them validated by your mentor by emailing the relevant email ID provided on the last page of your task list, or
- Continue working on the next level.

Important: Mentor validation through email does not replace the Final Submission Form.

As mentioned earlier, you must complete the Final Submission Form once it is shared in order to be considered for the completion certificate and swags.

Q4) What should I do if I am stuck or need clarification regarding a task?

Please contact the **relevant mentor email ID** provided on the **last page of your task list**.

Your mentor will assist you with task-related doubts and clarifications.

When emailing, make sure to clearly mention your **domain, task/level, and the specific issue you are facing** so that the mentor can assist you effectively.

Q5) How should I prepare the Internship Report and PPT?

If you are preparing an **Internship Report**, create **one single report covering all the levels you have completed**.

Similarly, if you are preparing a **PPT**, create **one single presentation covering all completed levels**.

Example:
If you completed Beginner + Intermediate + Advanced:

- ✅ One combined Internship Report
- ✅ One combined PPT
- ❌ Three separate reports
- ❌ Three separate PPTs

Please refer to the **sample report/PPT already shared in the WhatsApp group** for guidance on the expected format.
